

Dear colleagues,

IEEE AESS, as a global professional home for engineers working in the electronic systems domain, is pleased to announce the partnership with Galleon to welcome the members to join in the [Aero Electromechanics China 2013](#). This annual industry stellar gathering is a great platform for government officials and industrial leaders to gain knowledge of newly updated industry policy and future development trends, as well as to learn of the progress of planned projects in the Asia Pacific region. As an endorser of this annual event, IEEE AESS looks forward to your active participation.

Best regards,
